

**STATUS
MENAI**

Make the right connection in the MENAI[™] region

If the MENAI is your market place, then STATUS - MENAI is your vehicle to get there

About Us:

Headquartered in Ontario - Canada and with a regional office in the bustling metropolis of Dubai in the United Arab Emirates, STATUS MENAI's primary objective is the representation of leading North American, European, and Indian based Engineering and Consumer products & brands in the Middle East and Indian Sub-continent.

Imagine the Dollars, one would have to spend, if one had to set up a full-fledged office in the Middle East. With STATUS MENAI, we simply take over that responsibility and become accountable to achieve your goals, objectives and indeed your business results.

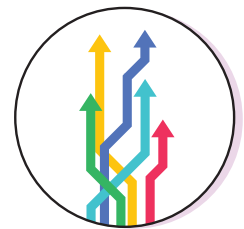

With full-fledged offices based in Ontario and Dubai, manned by a team of professional individuals who have several years of experience working in the Middle East, North America and the Indian Sub-continent, we have the right mix of experience and expertise to handle your business needs.

**Middle East, North America and India*

Why Choose Us:

Regional presence through dedicated business development resources.

Establishing and Developing appropriate "Routes to Market" across the region.

Preparing & Managing an Annual Operating Plan for the business in the pursuit of its goals.

A legal trading entity complete with warehousing, inventory management, and human resources.
